

## Patient Assistance Foundation Enrollment

The Novartis Patient Assistance Foundation, Inc. (NPAF) is committed to providing access to Novartis medications for those most in need. If you are experiencing financial hardship and have limited or no prescription coverage, then you may be eligible to receive Novartis medications for free.

### To be eligible for NPAF assistance, you must:

- Be a US resident
- Meet the income requirements below
- Have limited or no private or public prescription coverage

### Household Size    Annual Household Income Threshold

- 1 Person  $\leq$  \$ 75,000
- 2 People  $\leq$  \$100,000
- 3 People  $\leq$  \$125,000
- 4 People  $\leq$  \$150,000
- $\geq$ 5 People Add \$25,000 for each additional person

**To enroll, select your medication from the list below and follow the directions provided.**

#### **Accordion:**

Adakveo® (crizanlizumab-tmca)

Thank you for your interest in a Novartis Oncology medicine. Patients who cannot afford the cost of treatment and lack insurance coverage may call the **Patient Assistance Now Oncology (PANO)** program at 1-800-282-7630 or visit the website links below to complete both sections of the PANO Service Request Form (SRF).

Patients should complete the patient PANO SRF online today at <https://www.patient.novartisoncology.com/financial-assistance/pano/> [1]

Prescribers need to complete the HCP PANO SRF by downloading the form at [HCP.Novartis.com/Access](https://www.novartis.com/hcp/pano) [2]

NOTE: For patients that need to re-enroll into the NPAF program, please use the NPAF application located under Related Links section on the right hand side of this page.

Afinitor® (everolimus)

Thank you for your interest in a Novartis Oncology medicine. Patients who cannot afford the cost of treatment and lack insurance coverage may call the **Patient Assistance Now Oncology (PANO)** program at 1-800-282-7630 or visit the website links below to complete both sections of the PANO Service Request Form (SRF).

Patients should complete the patient PANO SRF online today at <https://www.patient.novartisoncology.com/financial-assistance/pano/> [1]

Prescribers need to complete the HCP PANO SRF by downloading the form at [HCP.Novartis.com/Access](https://www.hcp.novartis.com/access) [2]

NOTE: For patients that need to re-enroll into the NPAF program, please use the NPAF application located under Related Links section on the right hand side of this page.

Afinitor Disperz® (everolimus suspension)

Thank you for your interest in a Novartis Oncology medicine. Patients who cannot afford the cost of treatment and lack insurance coverage may call the **Patient Assistance Now Oncology (PANO)** program at 1-800-282-7630 or visit the website links below to complete both sections of the PANO Service Request Form (SRF).

Patients should complete the patient PANO SRF online today at <https://www.patient.novartisoncology.com/financial-assistance/pano/> [1]

Prescribers need to complete the HCP PANO SRF by downloading the form at [HCP.Novartis.com/Access](https://www.hcp.novartis.com/access) [2]

NOTE: For patients that need to re-enroll into the NPAF program, please use the NPAF application located under Related Links section on the right hand side of this page.

Alomide® (Iodoxamide tromethamine solution)
